PUBLISHED BY AUTHORITY

(Registered at the General Post Office, Port Moresby. (or transmission by post as a Qualified Publication.)

No. 21 PORT MORESBY, THURSDAY, 27th MARCH 1975

ASSENT TO AN ACT

IT is hereby notified, for general information, that His Excellency the High Commissioner, on 13th March, 1975, assented to the under-mentioned Act passed by the House of Assembly:-

No. 5 of 1975-Law Reform Commission Act 1975.

A. F. ELLY,
Clerk of the House of

Assembly.

Prices Regulation Act 1949, as amended to date
MAXIMUM PRICES FOR BREAD-LAE

MEKERE MORAUTA, Price Controller, by virtue of the powers conferred by the Prices Regulation Act 1949, as amended to date, and all other powers me enabling, do hereby make the following Order:-

PRICES ORDER No. 127

1. CITATION.

This Order may be cited as Prices Order No. 127.

2. COMMENCEMENT.

This Order shall come into operation on the date of publication of this Order in the Gazette.

3. REVOCATION.

Prices Order No. 93 is hereby revoked.

4. DEFINITIONS.

In this Order-

"bread" means a product obtained by making a yeast leavened dough prepared with flour and water with or without other ingredients;

"foil-wrapped" means in relation to the sale of any bread that such bread is fully enclosed prior to delivery to the place at which the bread is sold by retail, in aluminium or other foil, and that such bread was so enclosed when sold;

"milk bread" means bread which is made into loaves and which contains no less than four parts per centum by weight of non-fat milk solids calculated on the water-free substance;

No. 21-27th March, 1975

2

continued

"ordinary bread" means bread made into loaves other than starch-reduced bread, protein-increased bread or

milk bread as defined in this Order or fancy bread;

"wrapped" means in relation to the sale of any bread that such bread is fully enclosed prior to delivery to

the place at which the bread is sold by retail, in waxed or grease-proof paper, cellulose film, polythene or

other similar wrapping and that such bread was so enclosed when sold;

"unwrapped" in relation to the sale of any bread means that such bread is not wrapped as defined in this

Order.

5. MEASUREMENT OF WEIGHT.

Where, in this Order, the maximum price fixed is related to the weight of bread, the weight is to be measured

when the bread is cold.

6. MAXIMUM PRICE.

I fix and declare the maximum price at which bread included in a category described in the first column of

the Schedule to this Order may be sold by wholesale and retail in the City of Lae to be the price specified in the

second column of that Schedule opposite to the description of that category.

7. DISPLAY OF PRICES.

A person or organisation engaged in selling bread by retail in the City of Lae, shall display in each of their

places of business, in prominent positions and in large clear and legible figures, the types of bread loaves covered

by this Order and the prices at which such loaves may be bought.

POSITION OF DISTRICT COMMISSIONER

Applications are invited from suitably qualified persons both from inside and outside the Public Service of Papua New Guinea for two positions of District Commissioner.

Appointment will be initially on a temporary basis with salary at either the Class 11 (\$7,135) or Class 10 (\$6,445-\$6,675) salary levels, depending upon experience and ability. Successful applicants will be required to undergo a period of on-the-job training before advancement to District Commissioner, a level 1 appointment with an

annual salary of
\$7,365.

Appointment as District Commissioner will be for three years and will be subject to review at the end of that term. An officer whose term of appointment is not renewed will be placed in a position with a salary classification not less than he held before being selected for training. For those persons engaged from outside the Public Service the question of continued employment will be subject to negotiation towards the end of the period of appointment.

Experience within the Department is not essential. The Public Service is seeking experienced men with a high level of administrative and executive potential. Applicants should have the Public Service Higher Certificate or Form 6 or such other educational qualifications as may be acceptable to the Public Service Board.

Appointees after a short period of training will be appointed to a District and will be responsible to the Chief Minister for the co-ordination of government policies and activities in the district and the social, political and economic advancement of the district.

All applications; will be considered.

Prices Regulation Act 1949, as
amended to date

MAXIMUM PRICES FOR BREAD-PORT MORESBY

il MEKERE MORAUTA, Price Controller, by virtue of the powers
conferred by the Prices Regulation Act 1949, as

amended to date, and all other powers me enabling, do hereby make
the following Order:-

PRICES ORDER No. 134

1. CITATION.

This Order may be cited as Prices Order No. 134.

2. COMMENCEMENT.

This Order shall come into operation on the date of publication of this Order in the Gazette.

3. REVOCATION.

Prices Order No. 128 is hereby revoked.

4. DEFINITIONS.

In this Order—

"bread" means a product obtained by baking a yeast leavened dough prepared with flour and water with or

without other ingredients;

"ordinary bread" means bread made into loaves other than starch-reduced bread, protein-increased bread or

milk bread as defined in this Order or fancy bread;

"milk bread" means bread which is made into loaves and which contains no less than four parts per cent=

by weight of non-fat milk solids calculated on the water-free substance;

"starch-reduced bread" or "protein increased bread" means bread which is made into loaves and which con-

tains not less than two and seven-tenths part per centum by weight of nitrogen calculated on the water-

free substance;

"unwrapped" in relation to the sale of any bread means that such bread is not wrapped as defined in this

Order.

"wrapped" means in relation to the sale of any bread that such bread is fully enclosed prior to delivery to the

place at which the bread is sold by retail, in waxed or grease-proof paper, cellulose film, polythene or

other similar wrapping and that such bread was so enclosed when sold;

"foil-wrapped" means in relation to the sale of any bread that such bread is fully enclosed prior to delivery

to the place at which the bread is sold by retail, in aluminium or other foil, and that such bread was

so enclosed when sold;

5. MEASUREMENT OF WEIGHT.

Where, in this Order, the maximum price fixed is related to the weight of bread, the weight is to be measured

when the bread is cold.

6. MAXIMUM PRICE.

I fix and declare the maximum price at which bread included in a category described in the first column of

the Schedule to this Order may be sold by retail in the City of Port Moresby to be the price specified in the second

column of that Schedule opposite to the description of that category.

7. DISPLAY OF PRICES.

A person or organisation engaged in selling bread by retail in the City of Port Moresby, shall display in each

of their places of business, in prominent positions and in large clear and legible figures, the types of bread loaves

covered by this Order and the prices at which such loaves may be

bought.

Dated at Port Moresby this fourth day of April, One thousand nine hundred and seventy-five.

M. MORAUTA,

Price Controller.

Prices Regulation Act 1949, as amended to date

MAXIMUM PRICES FOR BREAD-LAE

MEKFRE MOKAUTA, Price Controller, by virtue of the powers conferred by the Prices Regulation Act 1949, as

9 amended to date, and all other powers me enabling, do hereby make the following Order:—

PRICES ORDER No. 135

I. CITATION.

This Order may be cited as Prices Order No. 134.

2. COMMENCEMENT.

This Order shall come into operation on the date of publication of this Order in the Gazette,

3. REVOCATION.

Prices Order No. 128 is hereby revoked.

4. DEFINITIONS.

In this Order—

"bread" means a product obtained by baking a yeast leavened dough prepared with flour and water with or

without other ingredients;

"ordinary bread" means bread made into loaves other than starch-reduced bread, protein-increased bread or

milk bread as defined in this Order or fancy bread;

"milk bread" means bread which is made into loaves and which contains no less than four parts per centum

by weight of non-fat milk solids calculated on the water-free substance;

"starch-reduced bread" or "protein increased bread" means bread which is made into loaves and which con-

tains not less than two and seven-tenths part per centum by weight of nitrogen calculated on the water-

free substance;

"unwrapped" in relation to the sale of any bread means that such bread is not wrapped as defined in this

Order.

"wrapped" means in relation to the sale of any bread that such bread is fully enclosed prior to delivery to the

place at which the bread is sold by retail, in waxed or grease-proof paper, cellulose film, polythene or

other similar wrapping and that such bread was so enclosed when sold;

"foil-wrapped" means in relation to the sale of any bread that such bread is fully enclosed prior to delivery

to the place at which the bread is sold by retail, in aluminium or other foil, and that such bread was

so enclosed when sold;

5. MEASUREMENT OF WEIGHT.

Where, in this Order, the maximum price fixed is related to the weight of bread, the weight is to be measured

when the bread is cold.

6. MAXIMUM PRICE.

I fix and declare the maximum price at which bread included in a category described in the first column of the

Schedule to this Order may be sold by wholesale and retail in the City of Lae to be the price specified in the

second column of that Schedule opposite to the description of that category.

7. DISPLAY OF PRICES.

A person or organisation engaged in selling bread by retail in the City of Lae, shall display in each of their

places of business, in prominent positions and in large dear and legible figures, the types of bread loaves covered

by this Order and the prices at which such loaves may be bought.

powers conferred by Sections 133(5)

and (6) of the Public Service (Interim Arrangements) Act 1973,
as amended to date, and all other powers

me enabling and being of the opinion that it is desirable that
in the year 1975, the Anniversary of the Birthday
of the Sovereign should not be a holiday, hereby-

(a) declare that that day shall not be a holiday in the year
1975; and

(b) appoint 16th June, 1975, to be a holiday in the place of
the Anniversary of the Birthday of the
Sovereign in the year 1975.

Dated this ninth day of April, One thousand nine hundred and
seventy-five.

DESCRIPTION OF CURRENCY

AS required under Section 51(2) of the Central Banking Act 1973, the denominations and other characteristics of Papua New Guinea legal tender currency issued by the Bank of Papua New Guinea are as follows:-

1. BANKNOTES

2 Kina - 140 MM x 70 MM

5 Kina - 145 MM x 72.5 MM

10 Kina - 150 MM x 75 MM

The paper used is mould made panel banknote paper with a substance of 83 grams per square metre into which is incorporated a formal watermark of the Bank of Papua New Guinea's logo and metallic security thread.

All the banknotes feature the Papua New Guinea national crest on the front. Each note is distinguished by the different background tints surrounding the crest which depict various traditional motifs.

2

Description of Currency-

continued

Two Kina K2

(a) Front:-The background tints surrounding the national crest on the front of the note comprise a tapa

cloth from the Central District, a Mount Hagen axe, a club from the Huon Gulf area, a clay pot from the Sepik,

a shield from the Madang area, a marriage bed from Manus Island and a shield from the Upper Sepik region.

The designs surrounding the numerals represent local lineal art patterns in modern style and do not interpret

any particular subject.

(b) Back:-The back of this banknote features four main items: a Mount Hagen axe, a kula arm band from

the Milne Bay District, engraved dogs teeth from the Bougainville area and a clay pot from the Sepik. The back-

ground tints comprise patterns taken from a tapa cloth from the

Northern District, waist bands from the Gulf

District, a canoe from the Trobriand Islands, a shield from the Sepik area, a canoe from the West Sepik area, a

Madang shield and clubs from the Huon Gulf region.

The patterns used to surround the numerals in local artwork are based on a bird design.

Five Kina K5

(a) Front:—The background tints surrounding the national crest on the front of this banknote comprise pat-

terns taken from the following items: a shield from the Gulf District, a Sepik clay pot and Ramu River shields

from the Madang area. The patterns surrounding the numerals are based on a slaughtered pig design.

(b) Back:—The main designs on the back of the banknote comprise four items of traditional Papua New

Guinea "currencies": a Hombuli mask which is used for bridal payments in the Sepik area, a kina shell from the

Highlands, a shell necklace from the Milne Bay area and a shell necklace woven with seeds found in the New

Ireland District. The background tints for this design consist of a Northern District tapa cloth, a Milne Bay shield

and tortoise shell bracelets from the Huon Gulf area.

The patterns used to surround the numerals are based on a mask design together with an illustration of a

bird.

Ten Kina K10

(a) Front:—The background tints surrounding the national crest on the front of this banknote include patterns

taken from the following items: a canoe from the Milne Bay District, Sepik spears, a Madang shield, designs based

on patterns seen on a bow from the Highlands, a Sepik house post and wood carvings from the New Ireland area.

The patterns surrounding the numerals are based on an illustration of a bird.

(b) Back:—The main design on the back of this banknote is composed of the following items: a Tami bowl,

a bird of paradise skin, tambu shell money from the New Britain area and boars tusks from the Highlands.

The pattern surrounding the numeral is based on a representation of a bird and a fish.

The background tints for this banknote include patterns taken from a Gulf shield, a ceremonial dance paddle

from Bougainville, a Sepik clay pot, a Gulf bark belt and marriage bed posts from the Manus District.

2. COINS

Coins of the 1, 2, 5, 10 and 20 toea and the 1, 5 and 10 kina will be issued by the Bank of Papua New

Guinea according to the following specifications:

Prices Regulation Act 1949, as
amended to date

MAXIMUM PRICES FOR BREAD-WEWAK

MILTON FREDERICK ROBERTS, a Deputy Price Controller appointed
under the Prices Regulation Act 1949, as

amended to date, hereby make the following Order under that Act:-

PRICES ORDER No. 136

1. CITATION.

This Order may be cited as Prices Order No. 136.

2. COMMENCEMENT.

This Order shall come into operation on the date of publication of this Order in the Gazette.

3. REVOCATION.

Prices Order No. 95 is hereby revoked.

4. DEFINITIONS.

In this Order—

"bread" means a product obtained by baking a yeast leavened dough prepared with flour and water with or

without other ingredients;

"ordinary bread" means bread made into loaves other than starch-reduced bread, protein-increased bread or

milk bread as defined in this Order or fancy bread;

"milk bread" means bread which is made into loaves and which contains no less than four parts per centum

by weight of non-fat milk solids calculated on the water-free substance;

"starch-reduced bread" or "protein increased bread" means bread which is made into loaves and which con-

tains not less than two and seven-tenths part per centum by weight of nitrogen calculated on the water-

free substance;

"unwrapped" in relation to the sale of any bread means that such bread is not wrapped as defined in this

Order.

"wrapped" means in relation to the sale of any bread that such bread is fully enclosed prior to delivery to the

place at which the bread is sold by retail, in waxed or grease-proof paper, cellulose film, polythene or

other similar wrapping and that such bread was so enclosed when sold;

"foil-wrapped" means in relation to the sale of any bread that such bread is fully enclosed prior to delivery

to the place at which the bread is sold by retail, in aluminium or other foil, and that such bread was

so enclosed when sold;

5. MEASUREMENT OF WEIGHT.

Where, in this Order, the maximum price fixed is related to the weight of bread, the weight is to be measured

when the bread is cold.

6. MAXIMUM PRICE.

I fix and declare the maximum price at which bread included in a category described in the first column of

the Schedule to this Order may be sold by retail in the town of Wewak to be the price specified in the second column

of that Schedule opposite to the description of that category.

7. DISPLAY OF PRICES.

A person or organisation engaged in selling bread by retail in the Town of Wewak, shall display in each

of their places of business, in prominent positions and in large clear and legible figures, the types of bread loaves

covered by this Order and the prices at which such loaves may be bought.

Of the land suitable for cultivation the following proportions shall be planted in a good and husband like manner with a

crop or crops of economic value which shall be harvested regularly in accordance with sound commercial practice—

One-fifth in the first period of 5 years of the term;

Three-fifths in the first period of 10 years of the term;

Four-fifths in the first period of 15 years of the term; and during the remainder of the term four-fifths of the land

so suitable shall be kept so planted.

(b) That portion of the lease which shall be utilised for grazing shall be stocked with a minimum of t head of great

cattle per 4 hectares within 2 years from the date of grant and shall be kept stocked to that minimum for the

remainder of the term.

(c) That portion of the lease to be used for grazing shall be within 2 years of the date of grant fenced externally

except in such parts where the natural features make this unnecessary with a barbed wire fence of not less than 4

strands the topmost of which shall be not less than 1 metre above the ground and having posts not more than 4.5

metres apart and strainer posts at least every 100 metres, the said fence to be kept well strained and in a stock proof

condition.

(d) The area to be used for grazing shall within 2 years from the date of grant be subdivided by fences into a minimum

of 4 paddocks none of which shall enclose more than half the total area, to be used for grazing, and for the dura-

tion of the lease the said area shall be kept so subdivided and the said fence maintained in stock proof condition.

Improvements:—Section 57 of the Land Act 1962, as amended to date, provides that an Agricultural Lease shall contain conditions prescribing the minimum improvements to be carried out by the lessee. Conditions applicable to the leases above are as follows:

(a) Of the land suitable for cultivation the following proportions shall be planted in a good and husbandlike manner with a crop or crops of economic value which shall be harvested regularly in accordance with sound commercial practice:

One-fifth in the first period of 5 years of the term;

Three-fifths in the first period of 10 years of the term;

Pour-fifths in the first period of 15 years of the term;

and during the remainder of the term four-fifths of the land so suitable shall be kept so planted.

(b) That portion of the lease which shall be utilised for grazing shall be stocked with a minimum of 1 head of great

cattle per 4 hectares within 2 years from the date of grant and shall be kept stocked to that minimum for the remainder

of the term.

(c) That portion of the lease to be used for grazing shall be within 2 years of the date of grant fenced externally except

in such parts where the natural features make this unnecessary with a barbed wire fence of not less than 4 strands

the topmost of which shall be not less than 1 metre above the ground and having posts not more than 4.5 metres

apart and strainer posts at least every 100 metres, the said fence to be kept well strained and in a stock proof condition.

(d) the area to be used for grazing shall within 2 years from the date of grant be subdivided by fences into a minimum

of 4 paddocks none of which shall enclose more than half the total area to be used for grazing, and for the duration

of the lease the said area shall be kept so subdivided and the said fence maintained in stock proof condition.

(e) Yards and handling facilities to the satisfaction of the Land Board shall be constructed within 2 years from the date

of grant.

(t) Provided always that if at the end of the first 2 years of the lease it appears to the I. and Board that reasonable efforts

are not being made to fulfil the stocking and improvement

conditions, it may recommend the Minister for Lands to for-

feit the lease; and thereupon the Minister for Lands may if he thinks fit by notice in the Gazette and in accordance

with the provisions of the Land Act 1962, as amended to date, forfeit the lease accordingly.

Residence Condition—The lessee or his agent shall take up residency or occupancy of his block within 6 months from the date of grant.

Applicants are warned that applications must be lodged at or posted so as to reach the Lands Department, Waigani, Papua New Guinea before 3 p.m., Wednesday, 11th June, 1975.

All applications must be accompanied by the prescribed fee of Two Dollars (2.00).

All applications not conforming to these requirements will be rejected as informal.
